

## **EYEXAM of California Welcomes Pearle VisionCare Members**

Dear Pearle VisionCare Members:

Effective November 11, 2008, all California Pearle Vision optical stores and Pearle VisionCare optometric offices were closed. EYEXAM of California, a licensed vision care service plan, is now the vision service provider for Pearle VisionCare members. EYEXAM of California provides eye examinations, contact lens fittings, and related eye care services from licensed doctors of optometry. Member services are available at convenient hours by walk in or appointment. EYEXAM of California offices are conveniently located inside more than 100 LensCrafters optical stores located throughout California.

The Pearle Vision optical stores and Pearle VisionCare offices at the following locations are now LensCrafters and EYEXAM of California. Pearle VisionCare member records continue to be maintained at these locations:
